Simple rules

- Use color and text styles. Do not set colors or font sizes by hand.
- Use icons from the library. Do not redraw them.
- Make an Arabic version of every component with the layout mirrored.
- Buttons are at least 44 x 44px.
- Deadlines: normal is gray, due soon is amber, closed is red. Always add an icon and text.
- AI suggestions are labeled "Suggested by DARB AI" and can be dismissed.
