Research and Component Requirements

Student Components · Dana

What the cards need to show

- **Always:** type, title, organization, location, deadline, save button, details button.
- **Recommended and AI cards also:** a short reason, such as "Matches your UX skills".

Brand rules to follow

- Use only DARB colors, IBM Plex Sans (English) and Noto Sans Arabic.
- Use outline icons from the icon library.
- Show status with an icon and text, not color alone.
- Make every component in English and Arabic (right to left).

Components

Component	What it shows	States
Opportunity card	Type, title, organization, location, deadline, save, details button	Default, saved, deadline soon, closed
Recommended opportunity	Opportunity card plus a short reason	Default
Category	Icon and label	Default, selected

Skills and interests	Skill name, add and remove	Default, selected, add
Saved opportunity	Opportunity card with a saved bookmark	Active, expired
Application status	Status label and icon	Submitted, under review, interview, accepted, not selected
Application tracking	Steps with dates	Done, current, upcoming
Deadline reminder	Date and days left	Normal, due soon, closed
AI recommendation	Opportunity card plus why it was suggested	Default
Suggested skills	Skill chips with accept and dismiss	Default

To confirm

- The icon library has no AI icon. Use the star icon for now.
- Confirm the Secondary Text color. It is cropped in the brand board.
